Online classes are distance education classes with no scheduled meeting days. Students will log in to Canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.								
EAR-24		Introduction to Curriculum						
Prerequisite: None Description: An overview of knowledge and skills related to providing appropriate curriculum and environments for young children. Students will examine a teacher's role in supporting development and engagement for all young children. Provides strategies for developmentally-appropriate practice based on observation and assessments across the curriculum, including: academic content areas; play, art, and creativity; and development of social-emotional, communication, and cognitive skills. 54 hours lecture. (Letter grade)								
30688	EAR-24	Lecture	3			ON-LINE	S Burnett	01/04 - 02/11/21
Online classes are distance education classes with no scheduled meeting days. Students will log in to Canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.								
EAR-26		Health, Safety and Nutrition						
Prerequisite: None. Description: A study of health, safety and nutrition factors of importance to the teacher, child and family of the young child.								
30689	EAR-26	Lecture	3			ON-LINE	L Vazquez	01/04 - 02/11/21
Online classes are distance education classes with no scheduled meeting days. Students will log in to Canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.								
EAR-28		Principles and Practices of Teaching Young Children						
Prerequisite: None Description: An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all young children. Includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics, and professional identity. 54 hours lecture.								
30532	EAR-28	Lecture	3			ON-LINE	R Carreon-Bailey	01/04 - 02/11/21
